Minneapolis, Minnesota,  
March 4th, 1915.

Dear George:- I wonder if I cannot see sketches  
or blue prints of the Sioux City Court House before you  
get everything all finally fixed in the perspective. } +

You know the state of matters with yourself and  
in Sioux City. If they are along to blue prints out  
there drop Bill a line and tell him to let me have some-  
thing.

Yours,  
W. P.

+ The perspective is about done.

Been at it 2 weeks.

Bill is making tracings to blue print

and to make slides from

See as a photo of the water color and send

you that for critical comment and tooth pulling

with out anaesthetics. We also ask Bill

to send you a copy of prints

What the matter with Bill. is he getting cold

fat on the scheme. so I gather from your

long commenting letter to him:

over

Every one seemed pleased when I left and a  
report from Bill that another supervisor was in  
whose only comment was to raise the basement level  
a few steps above ground which is O. K. of course  
well. anyway, what tell:

no comment from Borglum. he has work but too

Have got to withdraw: Go has Bill.

There was a point that can't be resolved  
into simple notice directly somehow: Every fail at it

You can't. that's the difference. This time for you.
