Mr. Gutzon Borglum,
166 East 38th Street,
New York City.

My dear Mr. Borglum:- Please do not let our recent letter regarding the Sioux City Court House be buried too deeply in your correspondence.

This matter is maturing very rapidly and if any collaboration between us is desired by you and can be arranged, the details should be taking form at the present time.

Yours very truly,
PURCELL and ELSLIE, Architects.
